(continued)

(continued)

n.17: “Animal rescue flights” only

Additional information/requirements (as applicable) for SPO operator in SLOVENIA:

- Follow all AIP procedures regarding entry, transit and departure,
- Landing and departing outside of an official airport: permission required according to State Regulation about off-airport landings and take-offs for helicopters,
- Check all procedures for national parks and airspace classification,
- Authorization does not apply to SPO flights where dangerous goods are carried
- Renewal requests should be submitted 30 days before the expiration date.

Additional information/requirements (as applicable) for SPO operator in AUSTRIA:

- Follow “Additional/separate (as applicable) required national authorizations which are not covered by this agreement, including but is not limited to:” and “Additional national requirements to be considered” listed in the letter of agreement between ENAC and Austro Control ref. E-LFA333-704/03-23-1 (dated 16/05/2023)
- For statistical purposes, the operator is requested to submit an annual summary (cut-off date 31.12. of the respective year) of activities in the federal territory of the Republic of Austria in the context of commercial specialized flight operations. The summary shall be sent to ops@austrocontrol.at and shall include the following information, plus the indication of actual flight hours performed in SPOHR activities:

Operator:		
Date	Flight Hours	HESLO cycles

- Renewal requests should be submitted 30 days before the expiration date.

Si certifica che ELIFLY INTERNATIONAL S.r.l. è autorizzato ad effettuare operazioni commerciali specializzate ad alto rischio, in conformità alla presente autorizzazione, alle procedure operative standard dell’operatore, all’Allegato V del Regolamento (UE) n. 2018/1139 e ai corrispondenti atti delegati e di esecuzione.

This is to confirm that ELIFLY INTERNATIONAL S.r.l. is authorised to perform high risk commercial specialised operation(s) in accordance with this authorisation, operator’s Standard Operating Procedures, Annex V to Regulation (EU) 2018/1139 and its delegated and implementing acts.
